## 2) PRESIDENT / VP Report – How can the BOD Help

Noise Protocol..going well, Social Media

Hardik to talk to Michelle about Social Media Sites:

Facebook (Brian Morgan) & X Account, Instagram)

To Support Social Media, we needed a Stable Email Address to Promote Club etc.

ACTION ITEM:

Michal to create [welcome@londonchess.ca](mailto:welcome@londonchess.ca) , add to Website and share with Michelle for Social Media Contacts

Discuss using [welcome@londonchess.ca](mailto:welcome@londonchess.ca) for ETransfer Deposits (Membership / Tournament Fees) but the LCC Bank Account might be subject to ETransfer Deposit Fees. We will need to revisit streaming LCC "Money-In" Process. In the meantime Gregory and Gerry to develop a Hardcopy Form to Monitor (audit) Cash Deposits (and perhaps Electronic Deposits)

ACTION ITEM:

Gregory & Gerry to develop a Form / Process to Organize Tournament & Membership Fees.

SUGGESTION:

Michal suggested having prize cash prizes be put in an envelope - a little more professional etc.

ACTION: Can we get some envelopes!

Gregory: Provided "Protocol for Blitz / Tournament Registration" (Attached)

The goal is to aid the Tournament Director with the Registration Process.

ACTION:

Everyone kindly review the attached Protocol...share thoughts at next month's meeting.

Talked about looking for other Clubs to Challenge!
